Remarks

Please enter into the record the amendments set out above. These amendments do not require a new search. In the correspondence dated 17 November 2003, applicants indicated in their Remarks that they were canceling claims 10, 11, 13, 14 and 16, but the accompanying claim set did not accurately reflect that statement. This supplemental amendment corrects that oversight; it clearly sets out the status of all claims.

Conclusion

Please enter into the record the revised claim set provided herewith and allow all extant claims as amended.

Respectfully submitted,
